# Nobody taught you this stuff. Now you can learn it yourself.

The Map to Adulthood is a free guide to the practical things most people figure out the hard way. Budgeting, taxes, finding a place to live, landing a job, and more. It's written in plain language, organized so you can find what you need, and completely free to use at any time.

### WHAT YOU'LL FIND THERE

**Money**
Budgeting, taxes, credit cards, insurance, and how to start saving.

**Career**
Building a resume, job hunting, interviews, and negotiating pay.

**Education**
College, trade school, financial aid, and how to keep learning.

**Life Skills**
Finding housing, cooking, car care, laundry, and staying safe online.

# 45+ guides. All free. Start anywhere.

You don't have to read everything. Just look up what you need, when you need it.
